## 2018/2019 Winter-In House Program

The In House Program is perfect for athletes who want to take their game to the next level without the commitment of the travel season. Participants will be taught the basics of volleyball with emphasis placed on proper techniques. In House athletes will get the same training as our travel participants as we will have a K2 master coach leading all practices. In this program K2 will form teams that will compete against each other on game days along with some of our travel teams as well. All practices and games will be held at the K2 facility. This year our In House teams will participate in the K2 Club Clash travel tournament. This tournament is hosted by K2 Volleyball Club and will be held at the Knoxville Convention Center.
