Financial Aid Recipient Agreement:

Volley4life insists that financial aid money truly gets to where it is needed most. It is a noble program when it truly helps those, who would not otherwise be able to participate in club volleyball. Volley4life will provide several fundraisers throughout the year. Participation will be mandatory by all those that receive financial aid. In order to make this program successful, financial aid recipients must agree to the following policies.

As a recipient of financial aid, I, the parent, understand and agree to the following:

1. My family will be required to do a fundraising minimum of \$100.00 for each fundraiser provided by Volley4life, unless stated otherwise.
2. Scholarship recipient and their parent/legal guardian will be required to participate in ALL Volley4life fundraisers.
3. Scholarship recipient will be required to maintain a minimum C average and will need to provide proof of grades throughout the season.
4. I will meet all deadlines or communicate any payment plans or delays as soon as possible to volley4life.vb@gmail.com.
5. I understand that all deadline dates will be enforced and failure to comply will mean dismissal from the scholarship program. Loss of scholarship can result in losing your ability to participate in club volleyball. If the Volley4life contract is not completed satisfactorily then all Scholarship funds will be forfeited and will be taken into account for the following year scholarship application process.
